

SHANTY CREEK RESORT

We're Sorry Your Conference Had to be Cancelled.

Dear MPELRA Member,

We know people need to connect with each other. It is, after all, our business to bring people together.

Which is why the staff of Shanty Creek Resort is coming together to make sure summer vacations can still happen.

We'd like to invite you to replace your conference getaway with a family getaway this summer season. We're happy to honor your group's discounted lodging rates for your family's personal travel anytime through the season.

Call our reservation specialists to make your plans today at (866) 310-2364.
